## Coronado's Beaches are among America's Top Beaches

Coronado's Central Beach is frequently voted one of America's top beaches by the likes of the Travel Channel, Dr. Beach and Family Vacation Critic. This 1.5 mile long stretch of wide, sandy beach is popular among swimmers, surfers, sunbathers and sightseers. Running along Ocean Boulevard, which is home to breathtaking historic homes and mansions, Central Beach boasts a terrific spot some fun in the sun, a romantic stroll along the shore or an all day picnic. The main lifeguard tower serves as main access to the beach where public restrooms and showers are located. Enjoy s'mores on the beach at one of the fire rings located at the north end of the beach. Catch some beach volleyball at the public nets or awe at the incredible sunsets. You are sure to find many opportunities for some unforgettable photos. If you forgot your beach gear, not to worry, there are many local vendors that rent or sell everything from towels, beach chairs and sunscreen to surfboards and wetsuits.

North of Central Beach is Coronado's Dog Beach where our four-legged friends are free to run off leash in the marked off areas. Dog waste bags and a washing station are provided for your convenience at the entrance to the area across from Sunset Park.

Glorietta Bay offers a unique view of the Glorietta Bay Hotel and the Coronado Bay Bridge. With a large grass-filled park, restrooms, playground equipment, and a small beach area, the Glorietta Bay Beach is a great beach for families.

The Ferry Landing offers a sandy beach area adjacent to fishing/ferry pier. With a grassy lawn and sweeping views of San Diego Bay, this is a great place to take in views of the famous downtown San Diego skyline.
